

Indiana Forestry Educational Foundation (IFEF) Educational Grants Announcement

The Indiana Forestry Educational Foundation (IFEF) is pleased to announce the availability of competitive grant funds to help educate and inform woodland owners and/or the public about forestry, woodland management and other Indiana forestry related topics, with a special interest this year on young forest projects.

The opportunity for award of IFEF grants, which are available as \$500.00 awards, or up to \$1000 awards for young forest projects, is available for consideration to those organizations/groups meeting the following conditions and at the discretion of IFEF:

- Completion of the [online IFEF grant application](#).
Note: Instructions for completing the online grant application are provided on the application itself.
- Must be Indiana-based
- Educates the general public and/or woodland owners about forestry or woodland management including young forests
- Project begin and end between January 1, 2020 and December 31, 2020. (Start and end dates reviewed on a case-by-case basis and due to the nature of forestry, weather, and other outdoor conditions, IFEF may ask for additional information if the project is set to begin or end outside of the specified dates.)
- For any questions that occur after reviewing all materials, e-mail questions to IFEFgrants@gmail.com.

Completed online grant applications should be submitted no later than midnight on Sunday, October 6, 2019. IFEF will make grant award announcements in December.

Completion of the grant application does not constitute a promise of funding from IFEF and IFEF expectation is that this is a competitive award process with funds awarded as they are available and at the sole discretion of IFEF.

Thank you for your interest in the IFEF educational grant. We look forward to reviewing your project!

Sincerely,

IFEF Grant Awards Committee
